What test should you take?

One competitive test for future Spanish majors is the advanced placement Spanish test, however, many excellent students augment that with the SAT Spanish test to show further interest in this specialty.

High school students who did not have the AP experience are encouraged to take the SAT Spanish test if their intended college requires it. However, if you are looking to save both money on tuition and fast track thru College you are encouraged to take the CLEP Spanish test which offers by far the easiest three to twelve college credits which are accepted currently 2,900 colleges.

What's inside?

XAMonline true to format study guide prep material reviews all essential content chapters including equally weighted sections for vocabulary, structure, paragraph completions and reading comprehension.

Two full length sample tests all have the questions and explanations.

XAMonline also offers the audio components with this test. That test is currently offered in November.

Two sample tests

Time management is one goal of test prep. Become acquainted with directions and the format. The XAMonline sample test experience will expose you to each question type, and cover the range of topics which are distributed and weighted just like the test. XAMonline sample tests are simple to use and understand so that you just don't test yourself, you have a place to find the answers back inside the content.
