Tuttle is proud to present the very first comprehensive photographic guide to the birds of mainland Southeast Asia, the Philippines and Borneo. Included are the birds of Peninsular Malaysia, Thailand and Indochina, as well as those found in South China, Hong Kong and Taiwan.

This book covers 668 species and contains more than 700 colour photographs. There is a distribution map for each species.

Many of the photographs in this magnificent volume appear for the first time and have been carefully selected to show the most important species. The concise text provides vital information that will ensure accurate identification of species in one of the world's most diverse avifauna regions. Indispensable reading for all bird lovers.
