The Gulf Family: Kinship Policies and Modernity (SOAS Middle East Issues)

The Gulf Family: Kinship Policies and Modernity (SOAS Middle East Issues)

The six Arab States of the Gulf Cooperation Council (GCC) are all monarchies, but their societies, economies and politics are organised primarily through kinship, in the form of extended families and tribes. No other region in the world consists of states so traditional in their organisation, developing at rates well above global averages, are ultra-modern in many other regards. The book examines the paradox of the persisting importance of family and tribe in the face of modernisation. It evaluates past and present roles of kinship in the GCC states, assesses the impacts of change, and speculates on likely future patterns of social, economic and political organisation. Contributors include Shaikha Hind bint Salman al-Khlifa, Salwa al-Khateeb, Fred H. Lawson, Mandana Limbert, James Onley, J. E. Peterson, Jean-Fra  ois Seznec and Ali al-Tarrah.
