The Meaning of Christian Liturgy: Recent Developments in the Church of Sweden

The Church of Sweden is the largest Lutheran church body in the world, with 6.5 million members that represent about 70% of the Swedish population. *The Meaning of Christian Liturgy* illuminates and explains the changes that have occurred in the liturgy of the Church of Sweden from 1980 to 2000. In the process, this volume asks a number of questions of immense importance not only within Sweden but also for Christian churches in the English-speaking world, including:

- How does participation in a liturgy make clear what "church" is about?
- What does liturgical participation say about who or what God is and about the community's encounter with God?
- How have churches lived with the changes and renewals introduced in the twentieth century?
- How does the church building shape worshippers' ideas of God and of church?
